Defendant.	)	

This matter is scheduled before the Court for a final hearing for the determination of restitution on August 12, 2013. The parties now jointly request a one week continuance: (1) to allow the parties to review a recently received objection from one of the victims in this case challenging the amount of restitution he is owed; and (2) to accommodate an unexpected scheduling conflict on the part of counsel. Absent extraordinary and unexpected circumstances, the parties shall not request any additional continuances of the final restitution hearing beyond that requested in this stipulation.

In light of the above, the parties agree, and the Court finds and holds, as follows:

1. The August 12, 2013 restitution hearing is continued to August 28, 2013 (or

//
